
Cargill NPE Contracts

Cargill Australia offers growers another Grain Marketing alternative for the 2009-2010 season:

The NPE (No Price Established) Contract

- Available for Wheat, Barley & Canola.
- Minimum contract quantity 100mt.
- Fixed Grade contracts only.
- Advance of 15%, 35% or 65% of the Daily Contract Price paid 30 days EOW of delivery/transfer.
- Final contract price can be set on any business day from the date of contracting through until 31st August 2010.
- Entire contract quantity must be priced on that day.
- If contracted tonnage has not been priced prior to this date it will automatically be done so as per Cargill's Daily Contract Price for the relevant Port Zone.
- Canola oil bonuses/deductions calculated on final price.
- Also available for canola contracted for direct delivery to Footscray Plant.

Benefits include:

- No warehousing or finance charges.
- Provides cash at harvest.
- Ability to participate in market activity post harvest.

For further details please contact your local Australian Grain Accumulation office.
