

Carly Sanford has commenced working with AGA Western Australia, as an Office Merchant based in Fremantle.

Carly's interest in the grain industry stems from her farming background. Carly grew up actively involved in her family's farm located at Cascades which is 90kms north-west of Esperance which mainly produces wheat, barley, canola, lupins and field peas.

Following the completion of school, Carly spent 12 months in Germany as an exchange student and has travelled extensively.

Carly has previously worked with a number of agricultural companies including CBH and most recently with stockfeed manufacturer, Milne Feeds, where she held the position of Quality Assurance Officer. After working in this role Carly brings with her a wealth of experience in customer and complaints management and a large amount of patience.

**AGA WELCOMES CARLY SANFORD TO THE TEAM.**
